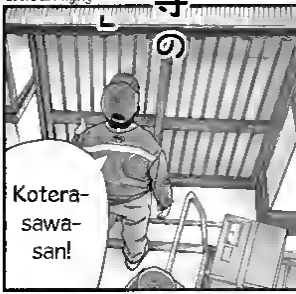
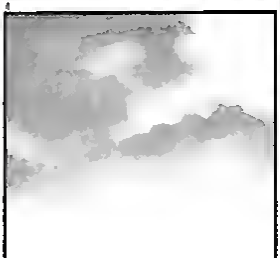
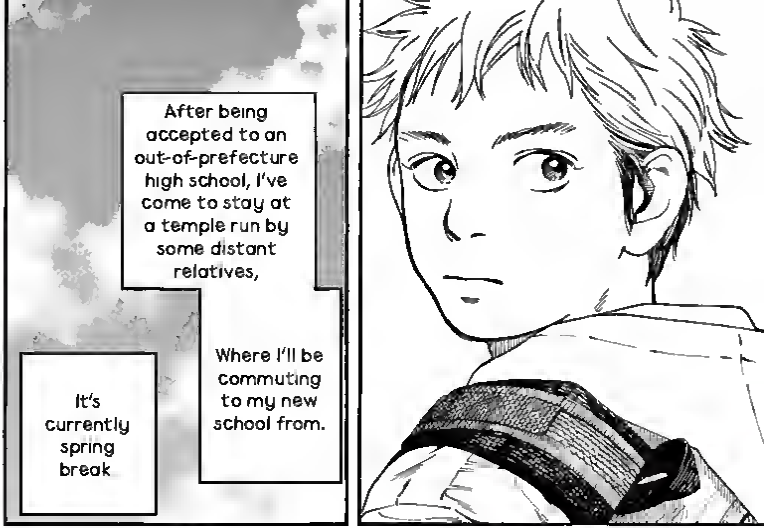
sfx: doorbell ringing





Front, back, left, right, no matter where I look,
Mountains, mountains, mountains.



After being accepted to an out-of-prefecture high school, I've come to stay at a temple run by some distant relatives,
Where I'll be commuting to my new school from.
It's currently spring break

Apparently I stayed here for a while during elementary school due to a situation with my parents, but I don't really remember it much.
Maybe seeing them again will jog my memory?
And now begins my new life!
Maybe I'll even get a girlfriend.

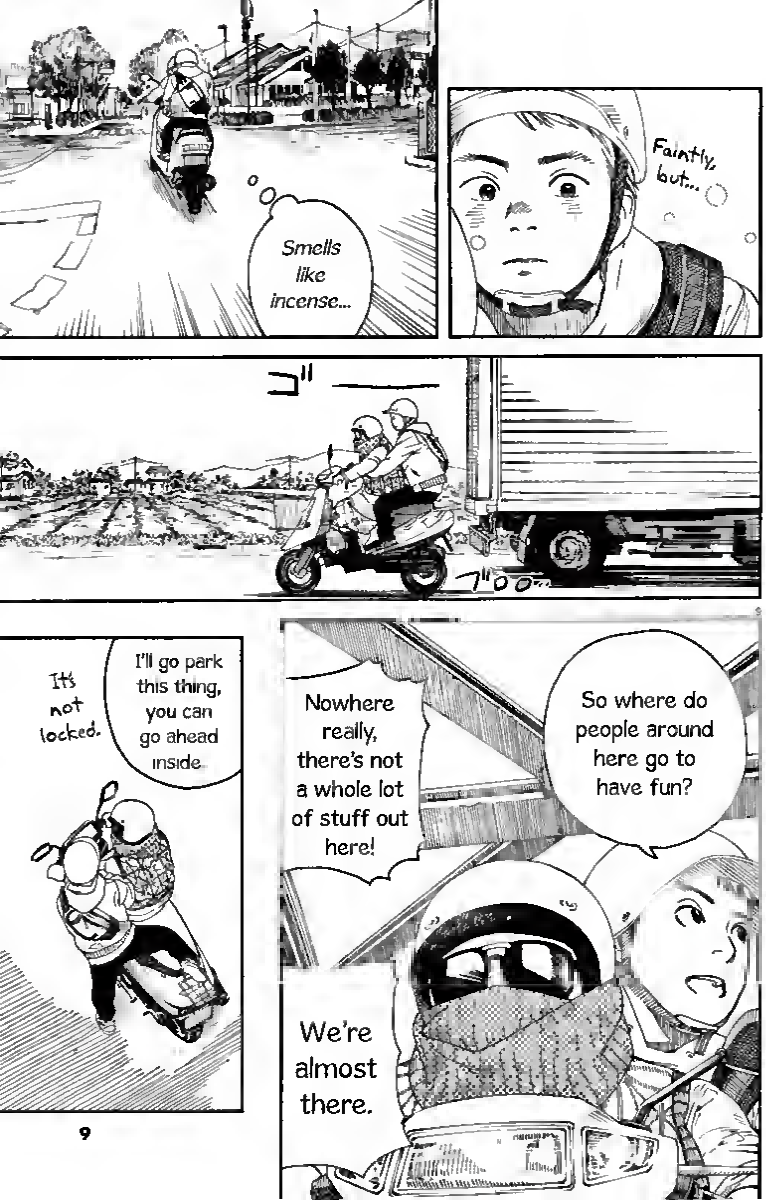
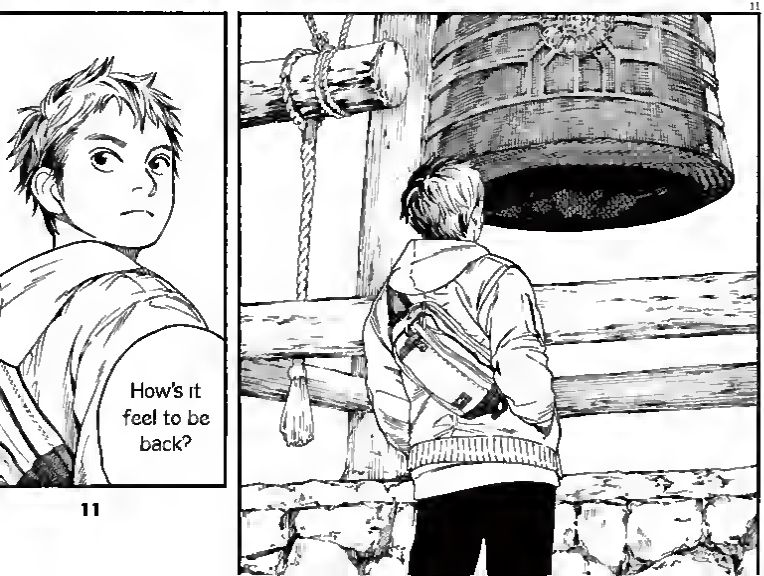
Suda Gen-kun?
...
Huh?
What in the...
That's a pretty crazy outfit...

I'm Koterasawa Chion.
Ooh!
My great aunt's grandkid!
Chion-nee-chan!
You remember me?
You have a pretty weir-... *unique* name, so just that part stuck with me!
Make sure you hold on tight.
Don't be shy now!

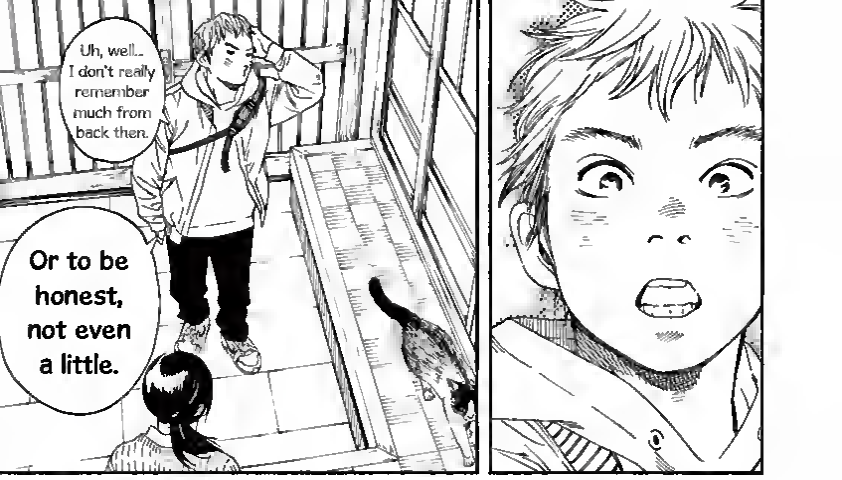


Smells like incense...
Faintly, but...
ゴー
It's not locked.
I'll go park this thing, you can go ahead inside.
We're almost there.
Nowhere really, there's not a whole lot of stuff out here!
So where do people around here go to have fun?

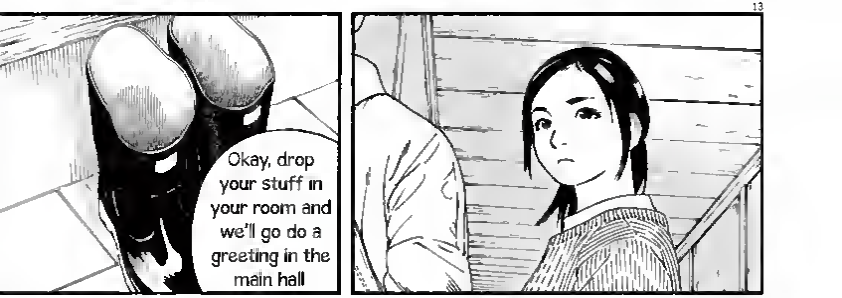
Wow, this is run-down...



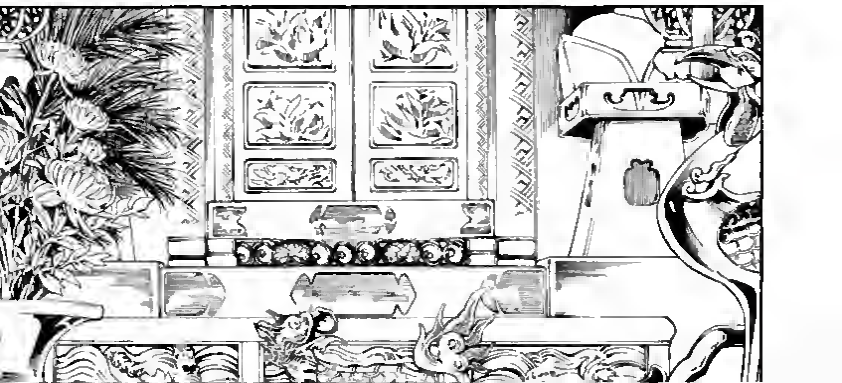
How's it feel to be back?

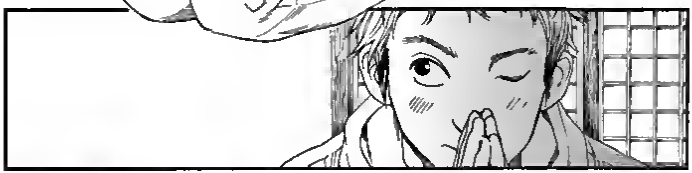


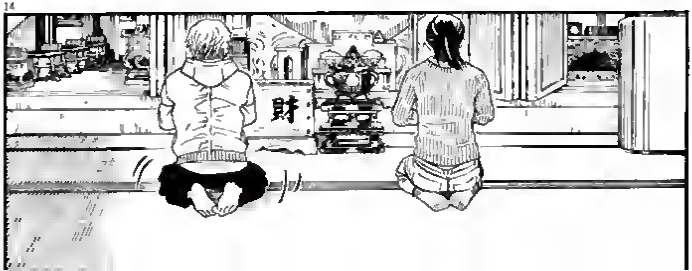
Uh, well... I don't really remember much from back then.
Or to be honest, not even a little.



Okay, drop your stuff in your room and we'll go do a greeting in the main hall







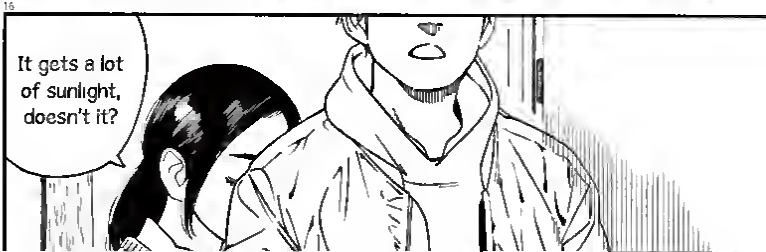
財

sfx: gravel crunching underfoot

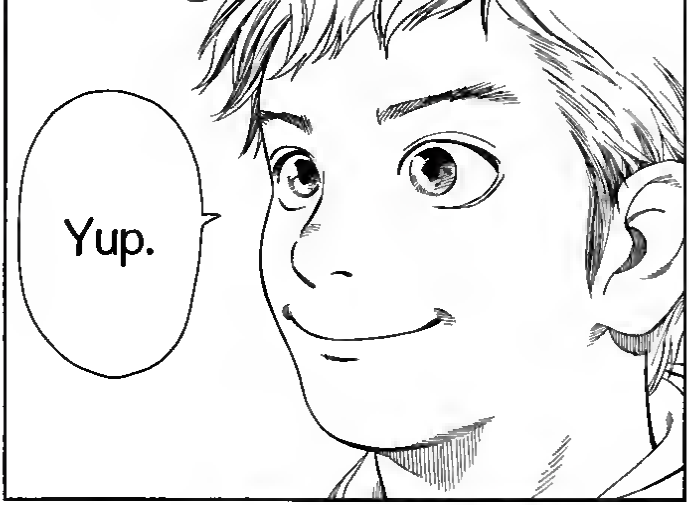
Wow

The toilet.

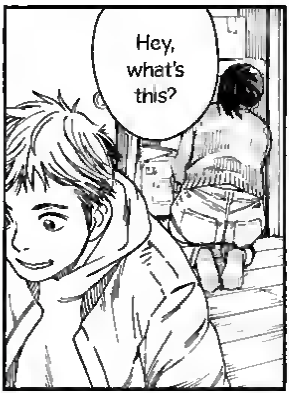
Though after a while you'll stop needing it
So be sure to bring a flashlight
It gets really dark out here at night,



It gets a lot of sunlight, doesn't it?

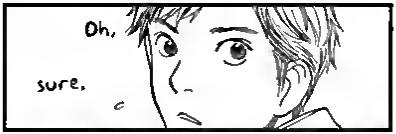


Yup.



Hey, what's this?

Keeping your room clean,
And doing your laundry will be your own responsibility, okay?



Oh, sure.

If you need anything, I'll be in the kitchen.
Alright then,

Mmm. Not sure.

Hrm, has she always been like that?
Gen

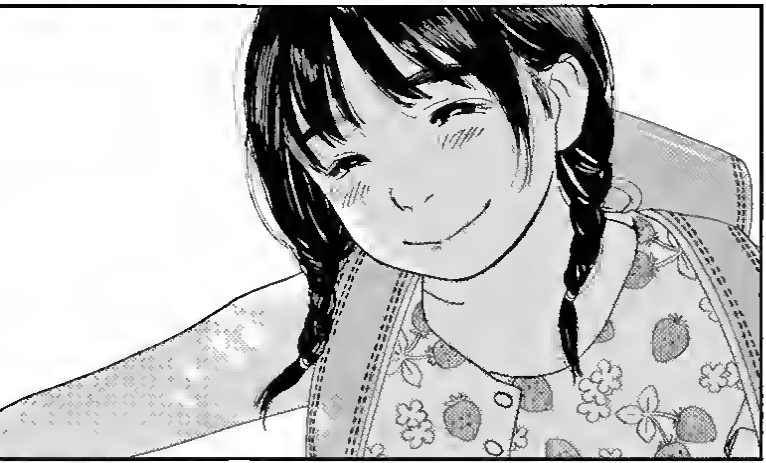
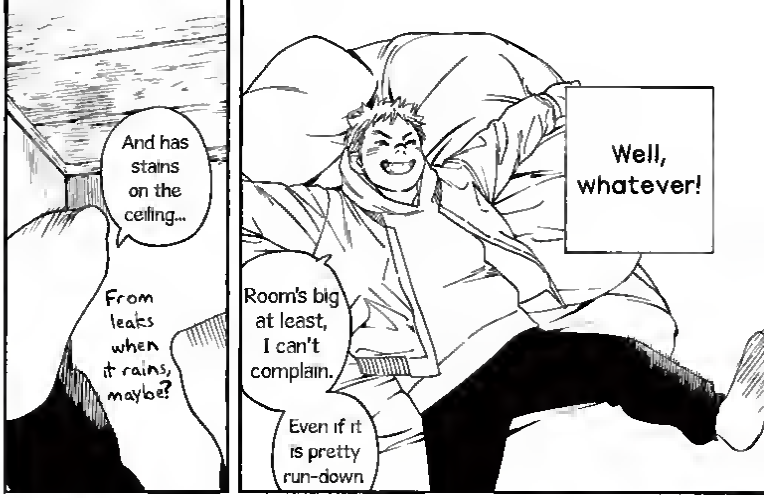
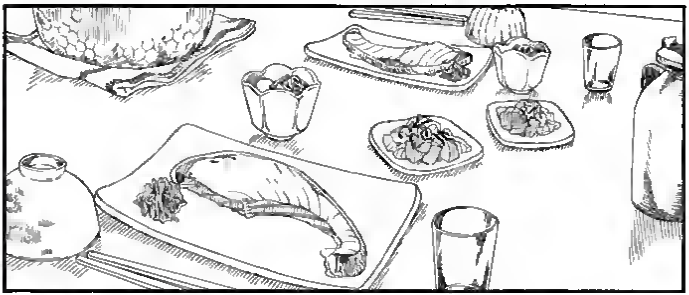
Oh, this garden
This, I remember some.

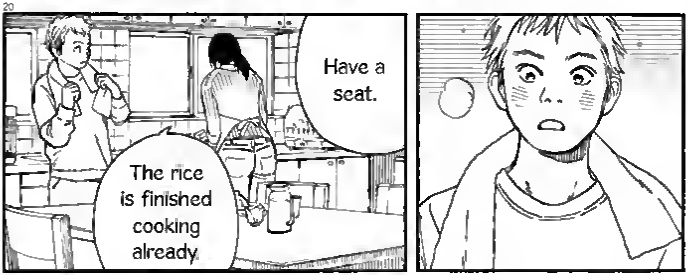


The floor is lava!
Gen-chan hurry!



And has stains on the ceiling...
From leaks when it rains, maybe?
Well, whatever!
Room's big at least, I can't complain.
Even if it is pretty run-down

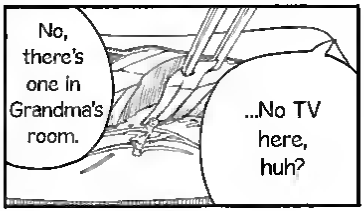




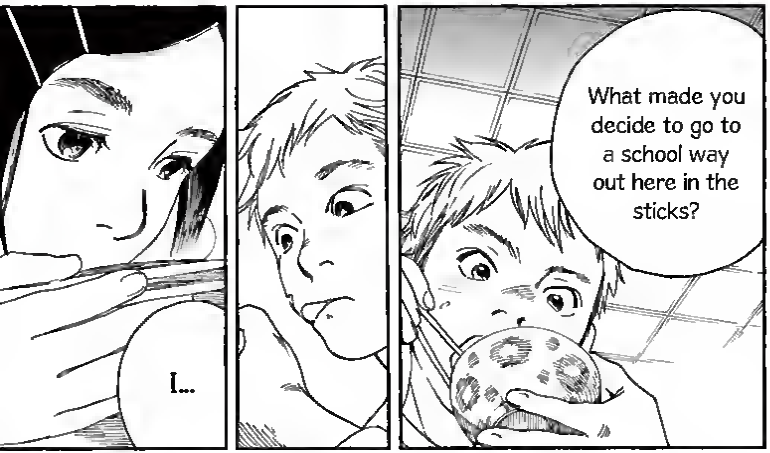
Have a seat.
The rice is finished cooking already.

Huh?
Only enough for two? We're not all eating together?
Since my grandfather, the head priest, passed away it's just been Grandma and I here.
Grandma is off on a trip with a supporter of the temple.
My parents didn't want to take this place over, and took jobs working overseas.
Uh, that's all news to me.
Oh really?

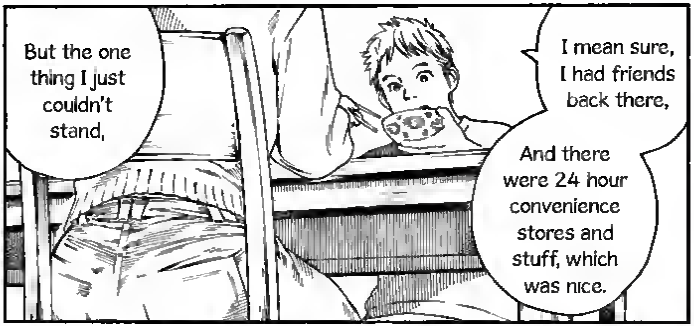
The temple doesn't make enough to live off of,
So at this rate we'll be gone too, sooner or later.



No, there's one in Grandma's room.
...No TV here, huh?



I...
What made you decide to go to a school way out here in the sticks?



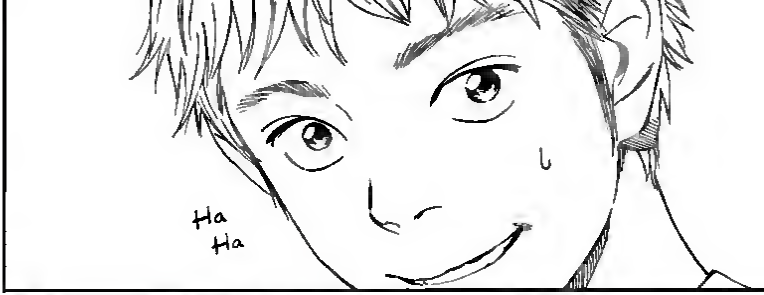
But the one thing I just couldn't stand,
I mean sure, I had friends back there,
And there were 24 hour convenience stores and stuff, which was nice.

Was my own home!

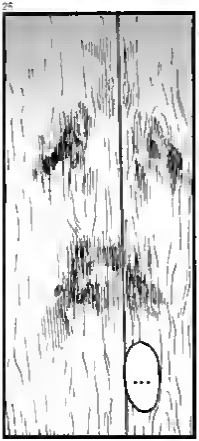
I'd be fine living just about anywhere.
I figured, "as long as it's not here,"
Of course, I made up a more convincing excuse to tell my parents so they'd let me leave.
There's one thing I still need to tell you though.
Make sure you wash your own dishes when you're done eating.
sfx standing up out of a chair suddenly

If...
If you're going to the bathroom, and you hear a child's footsteps behind you,
Don't turn around.

There's been some... incidents.

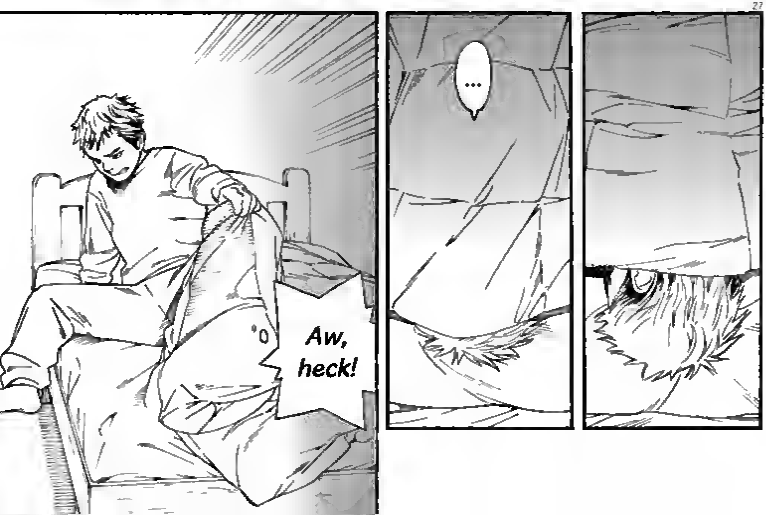


Ha
Ha



…

...Am I starting to regret this already?
Really?
It's a little soon for that, isn't it?



...
Aw, heck!

"Don't turn around."

sfx: bang, running into the wall

AHH HA HA HA HA
AH HA HA HA HA HA
Now I remember
Ribbit ribbit
What are you, five?
Well hows about now, huh!?
That jog your memory any!?
You brat, trying to act like you didn't remember me!

Welcome back, Gen-chan.

Chion-nee-chan.. was kind of a bully

Ah-
tchoo...
He's still not here yet..

The "Kotera" in Koterasawa means "old temple." "Sawa" is just a common kanji in last names.
